What Serving Means:

Being an altar server means serving God and his people at Mass. Servers give of themselves to help the priest and people in church praise and worship God as best as they can. Servers also receive God's help and blessing not only to serve well at Mass but also in all they do at school, at home and at play. What servers do and how they do it helps the people understand the Mass better and makes their love for God stronger.

Student Commitment:

I promise to do my best to faithfully serve all my assigned Masses; conduct myself reverently in the sanctuary; keep the sacristy neat by hanging up my alb and cincture; help my fellow servers when they are sick or cannot serve for other reasons; arrange for a substitute when I am not able to serve as assigned; arrive fifteen minutes before Mass starts; and follow the dress code for servers.

Parent / Guardian Commitment:

I understand that my child's serving on the altar is a privilege and a ministry just like serving as an usher, greeter, reader, minister of communion and serving in the choir. I promise to help my son or daughter to be faithful to their serving assignments by providing transportation to their assigned Mass at least fifteen minutes before Mass starts.
