

SHOPAROO

Dear OLV Families,

What is SHOPAROO you might ask? Well, I would like to introduce an app that is easy to download on your smart phones in order to raise money for our school. All you have to do is go to your app store on your smart/android phones and download the app. Once it is downloaded, you search for our school, become a member and start snapping pictures of all of your receipts. It's that simple! This is something that fits into everyone's lifestyle and is super convenient. They accept receipts from almost any grocery store, gas station, merchandise store, or fast food restaurant and turns it into money for our school. The money raised will assist with school operating expenses. Everyone loves to shop, or let's face it, at best we must grocery shop, so everyone has an opportunity to help out. Please make the effort to participate. It's for our children.

Sincerely,

The Home School Association
