Dear Name,

We are proud of the accomplishments of our alumni, and grateful to the parents who supported them. Your stories are part of our history and without you our school is not complete!

This school year, the teachers have been continuing to implement many STEM/STREAM activities. These types of lessons allow students to think critically and use their talents/skills to define the problem, think of ways to solve the problem and come up with several models and or plans to answer to the problem. For the upcoming school year, we plan on creating an OLV Maker's Space which will allow our science lab to expand to accommodate more materials for the elaborate experiments and building of models in congruence with our STEM/STREAM projects.

Please prayerfully consider a gift to the "OLV Legacy Fund", or give as generously as your means allow. Every gift makes a difference. Here is a current parent testimonial that says it all: "Our Lady of Victories School is not just a school. Everyone that enters can feel and see the spirit of Jesus in all that work at and attend the school. The teachers are so loving and nurturing. After our previous school closing, we thought about public school but wanted a Catholic environment for our children to learn in. When we walked into OLV, we felt that." This is how you felt while you attended OLV! Let's keep the OLV tradition alive and strong! Consider being a part of the OLV Legacy Fund and ensure OLV School remains vibrant for many years to come!

How? Your gift ensures that students receive an academically excellent education, and are prepared socially, intellectually, and technically for the work place of the future.

Gratefully,

Ms. Cynthia Casciola-Kitts
Principal

Rev. Thomas Fr. Ryan
Pastor

P.S. We need your input for an alumni gathering. Please drop me a note at ckitts@olvnj.com to let me know what you would like for your first gathering, e.g., a dance, a Mass and breakfast/dinner, etc. I look forward to hearing from you and thank you for your support.

THE MISSION OF OUR LADY OF VICTORIES SCHOOL IS TO CREATE AN EDUCATIONAL ENVIRONMENT WHICH FOSTERS THE SPIRITUAL, INTELLECTUAL AND EMOTIONAL DEVELOPMENT OF EVERY STUDENT IN PURSUIT OF EXCELLENCE.
